

A screenshot of the "Cookie-Editor" extension interface. The title bar says "Cookie-Editor" and shows the version "v1.13.0". There is an advertisement banner at the top with the text "Ad Enjoying Cookie-Editor? Buy me a coffee!" and buttons for "Not interested" and "Later". A search bar is present. The main area displays a cookie entry for "session". The "Name" field contains "session" and the "Value" field contains the hex string "1193e255d88c43fb1dab358c2ceee210". A "Show Advanced" link is visible below the value field. At the bottom are four buttons: a plus sign (+), a trash can, a refresh/circular arrow, and a save icon.

Name	Value
session	1193e255d88c43fb1dab358c2ceee210
